MEMBERSHIP COVENANT

Members of South Side Christian Church aspire to develop these four areas of our faith. Growth in these areas will draw us closer to Christ while conveying his love, truth and care to others.

1 Encounter God

Members have committed to their belief of God – Father, Son and Spirit – and have exhibited that commitment through their baptism by immersion.

Members worship regularly both as an individual and together with their church family.

2 Engage the Community

Members seek to care for unbelievers and the marginalized in our community and around the world, utilizing their gifts to reach out appropriately with the gospel.

Members strive to pray regularly for unbelievers in their lives and regularly participate in outreach initiatives of the church.

3 Entrust the Truth

Members aspire to participate routinely in a smaller group where they will learn how to apply biblical principles to life.

Members strive to read and study the Bible as they desire to know God's Word and pass it along to others.

4 Encourage the Church Family

Members aspire to be involved in the life of the church, serving in a ministry area with their gifts and shepherding others with relational care.

Members aim to give financially to South Side.
