

WELCOME TO SOUTH SIDE!

We are happy to have you with us today. We hope this will be a special time of worship for you. At South Side we offer a Christ-centered ministry that helps individuals grow in their relationship with God. We all share together in the same mission:

To guide everyday people into a Christ-following family.

This is accomplished when we are intentional about entrusting the truth of scripture, engaging our community, encouraging the church family and encountering God on a regular basis.

For more information about South Side including a list of classes and small groups that meet throughout the week visit our website: southsidechristian.com.

Outreach Ministry

2019 Mission Trip to Africa

South Side is planning a missions trip to Korogocho Nyayo Kenya in July 2019. This trip will visit our missions partner Christian Mission Fellowship. If you are interested in learning more about this opportunity, fill out the application at southsidechristian.com/events.

Everyday Hope Project

The Everyday Hope Project will begin Sunday, October 28. This is an opportunity for South Siders to become everyday missionaries within our own community. Each participant can register for a grant of up to \$250 to meet a need of someone around them. The grants are intended for individuals or families outside of our church family. Grants can be requested and will continue until the funding is exhausted. To read a review of last year's grants, visit southsidechristian.com/ehp. If you have a financial need or know of a financial need of someone within our church family, please contact Adam Lanter (adam@southsidechristian.com) with a benevolence request.
